

Journey of Promise

May 20, 2017

A Ministry of
Camp Christy

Young women today are receiving mixed messages about what it means to be a woman. Many times these cultural ideas about womanhood conflict with the biblical perspective of womanhood. Women were God's idea, created with a purpose and a future.

We are inviting girls, entering 9th grade through 12th grade, to come away for a one-day event, "Journey of Promise", to gain a new perspective about what it means to be a young woman after God's own heart. It won't be an easy day of bon-bon eating, but a time to dig deep and dig in.

Biblical characteristics of womanhood that will be taught are leaving the world's girl, embracing righteousness, obedience and self-control, courage and trust, self sacrifice, and perseverance. This day has the potential to change the course of a girl's future through the power of the Holy Spirit.
